NAPA VALLEY

## 2009 CABERNET SAUVIGNON

---

### OUR STORY

Situated in the heart of the Napa Valley, Flying Horse Winery embodies the spirit and degree of excellence that our friends have come to respect and treasure. Our current selection of red wines are from fruit sourced from a historic vineyard located alongside Aetna Springs Resort, Oakville, Yountville, Spring Mountain and Buckthorn Vineyard. Our Chardonnay comes from the fine soils of Russian River Valley. The Napa Valley locations offer a unique terroir of rocky, well-drained soils with hot days and temperate evenings that deliver superior wines in limited quantities such as Cabernet Sauvignon, Petite Sirah, Zinfandel, Petit Verdot and Malbec.

### WINEMAKER'S NOTES

This Napa Valley Cabernet Sauvignon is a finely layered wine exhibiting black cherry, black currant, raspberry, truffle, smoke and leather. There is a hint of floral, mocha and mint at the finish. With its soft tannins, this wine goes well with roast beef, grilled steak, lamb dishes, wild game, grilled root vegetables and semi-soft cheeses.
